Welcome to 2019! Ignite the creative spark within

Greetings Anglesea Art House members and friends. We welcome in the New Year with a raft of creative offerings. We have printing, painting, glass and pottery classes with both day and night sessions to choose from. The beginning of the year is filled with enthusiasm and energy to flow into creative ventures. Learn something new or take your work to the next level.

Anglesea Art House art sessions and classes for Term One are outlined below. Classes commence on February 4. For more information or to register, contact the tutor directly on the number provided or for any other queries, phone Jennifer O'Sullivan on 0417 588 906.

A big thank you to everyone who took time out of their own lives this summer to contribute to the Anglesea Art House Kids' Art Bash. It was a wonderful event, enjoyed by young artists and inspiring volunteers alike. This is our busiest time of year and your support is testament to the strong creative community values that our art house was born from.

Here's to another fantastic year of creativity in our community.
